This matter having been opened to the Court by the parties in a joint letter dated September 13, 2024, and the parties having advised the Court that they discovered, after the notice to class members of the pendency of this action required by this Court’s Order granting preliminary settlement approval (ECF No. 327) had been issued to all class members then identified, that there are 406 additional class members who had not then been identified and to whom that notice was not issued, and the parties having requested that the Final Approval Hearing currently scheduled for October 11, 2024 be adjourned to permit notice to be issued promptly to the additional class members and to afford those additional class members the same 45 day period to determine whether to comment on the settlement, exclude themselves, or object,

and the parties having submitted a revised form of notice to be sent to those additional class members, and good cause appearing

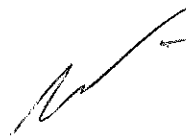

**IT IS** on this 16th day of September, 2024, **ORDERED** as follows:

1. The Court approves the proposed revised form of notice to be sent to the additional class members. Verita, the Claims Administrator whom the Court has appointed to issue notices, shall issue that notice to all additional class members within one business day of the date of this Order in the same manner as directed by the Court's preliminary approval Order as to other class members.

3.
